Role(s):

- The operation and management of the warehouse, equipment and resources.
- The creation of dry hire quotes, preparation and management of equipment for hires and projects.
- Liaising with Project Managers to best utilise existing resources.
- The management and maintenance of stock.
- Deliveries and collections to/from our clients and suppliers.
- Dealing with third party sub-hire companies.

Essential skills and requirements:

- Experience working in the sound industry on live events.
- Warehouse experience.
- Experience with preparation and knowledge of modern specialist sound equipment.
- Mac OSX with some Windows experience.
- A full UK driving licence.
- An ability to communicate clearly and effectively in both verbal and written forms.
- A flexible attitude.
- Physical fitness and the ability to undertake manual work required of the post.
- Ability to lead a team and also work as part of a team.
- Presentable appearance with no piercings in view except discrete earrings.
- It is important that applicants live close to our warehouse in order to be able to respond to call outs and to allow for taxis home on late calls.

As we work in live events, it is likely that there will be occasions where working un-social hours is required.
